CASUAL – EMTA/PCP POSITION – FOR WYNYARD

CLOSING DATE FOR ALL: ON GOING

JOB DISCRIPTION

Currently accepting applications, as per above, with practitioner responsibilities in accordance with current practice guidelines associated with Saskatchewan Health Protocols in providing BLS, ICP and/or ALS care.

In addition to ensuring consistent and proficient utilization of medical and communications equipment; maintaining a positive, professional relationship with field personnel, administrative staff, associated law enforcement agencies, fire, and other medical personnel; individuals must also possess and demonstrate a positive leadership role within the profession and in the public arena.

The practitioner position encompasses a combination of regular worked hours, on call hours, shift/weekend differentials and overtime hours. Average entry level (Step 1 HSAS) gross salary of \$60,000 to \$70,000+/year. Current full time schedule deployment includes 6days on/3 days off. Midway Ambulance Care offers many incentives like Group Medical Benefit programs which include Dental, Vision and other extended health benefits for individuals and families. Additional enticements include RRSP contributions.

For any information regarding the application process, please contact Kelly Prime, Director of Operations, at 306-554-3882 between business hours of 9am to 5pm or by email at Kelly@midwayambulance.com
